

**CLARK COUNTY DEPARTMENT OF AVIATION  
AIRPORT WALKING TOUR REQUEST FORM**

Harry Reid International Airport is proud to offer guided group tours as a gateway to share and inspire future aviation enthusiasts, and to provide our community with a behind-the-scenes look at airport operations.

Due to increased business demand and limited facility availability, tours are approved on a case-by-case basis. Approval is dependent on staff availability and current airport traffic.

To Request a Tour, please fill out this form completely and email it to [happenings@lasairport.com](mailto:happenings@lasairport.com)

A response will be provided within five business days.
