McCarran Reduces Economy Parking Rates March 29

McCarran International Airport's public parking lot on Russell Road has a new name - Economy Parking. Effective March 29, the reduced maximum daily rate is \$6. The new rate for the first hour of parking is \$3, while each additional hour of parking is \$1. Economy Parking is conveniently located on Russell Road at Kelly Lane, between Paradise Road and Maryland Parkway.

"With passenger counts exceeding 41.4 million last year, McCarran is ranked the sixth busiest airport in North America. Operating Economy Parking around the clock, while reducing rates is one way we are meeting the demands of growth," said Randall H. Walker, Clark County Department of Aviation director.

Economy Parking customers are transported to and from Terminal 1 via a free shuttle service, which picks up passengers approximately every 10 to 15 minutes, 24 hours a day. Five shuttle stops are located throughout the 4,100-space parking lot. The shuttle stops are color-coded, with take-along location-reminder cards in corresponding colors, for ease in locating parked cars. The shuttle stop at Terminal 1 is located on Zero Level, one level beneath the baggage claim area.

Rate changes for all of McCarran's parking, except short-term, go into effect on March 29. The maximum daily rate for long-term parking in the garage will increase from \$10 to \$12. The hourly rate is \$3 for the first hour and \$1 for each additional hour of parking. There is no charge for the first 15 minutes in long-term parking. The rate for short-term metered parking will not change, it is 25 cents for 10 minutes, up to \$4.50 for three hours.

The maximum daily rate for valet parking will increase from \$14 to \$16. The new hourly rate is \$6 for the first hour and \$1 for each additional hour of parking.

The rate for Terminal 2 parking is \$1 for the first hour, \$1 for each additional hour, up \$8 maximum per day.

Parking for oversize vehicles is now located in Economy Parking. Vehicles eight feet high and up to 40 feet long may park at an hourly rate of \$4 for the first hour, \$2 for each additional hour, up to a maximum of \$12 per day. Vehicles over 40 feet long may park at an hourly rate of \$6 for the first hour, \$3 for each additional hour, up to a maximum of \$18 per day.
