Empowering beauty, by creating that perfect fit with the use of beautiful fabrics and impeccable craftsmanship, is the philosophy of the MARCHA HÜSKES brand. Sold by boutiques worldwide, including the UK. Visit www.marchahusk.com to shop their latest collection.

32. KAHINDO is a ready-to-wear brand from NYC. The collection is contemporary and progressive, yet stemming from the rich history and culture of the designers Congolese heritage. The SS17 collection uses bold colours and prints in sophisticated silhouettes to create statement making designs. The collection is available for pre-order on www.kahindo.com or email info@kahindonyc.com for more information.

33. MOLLY PEPPER specialises in beautiful, hand-crafted nightwear. Each piece is made with a real woman's perspective in mind and is designed to flatter, complement and empower! Using only the finest cottons, silks and laces, Molly Pepper's nightwear is both elegant and timeless romantic. Available in variety of styles, the collection is charmingly understated and a must-have for your wardrobe. Visit www.mollypepper.com

34. ELEYTE. Tribal art and surrealism are some of the themes of inspiration of this Canary Islands based brand, garments designed and made with love from local workshops to the world. Check CAN-BAN & REUSED CIGARETTES fashion film at www.eleyt.com Instagram: @eleytclothing

35. IRIA DE ANA. Looking for the ultimate Spring/Wardrobe update? The perfect handbag for the modern corporate woman who loves to go out! The Fellini bag (£480) is a reinvented classic. Handmade in UK using fine Italian cowhide. Visit the boutique at www.iriadefina.com

36. SIEN + CO. are specialists in luxurious handmade knit apparel with a modern edge. All of their items are made with love and care, using the best organic wool from sheep and alpacas. Ethically produced, each garment fulfils the brand's aim of creating beautiful, high quality knits that reflect the skills and passion of their artisans. Their chic and cosy collection of sweaters, scarves and hats are perfect addition to your winter wardrobe! To view the full collection visit www.sienandco.com Instagram @sienandco Photos: Stephanie Kirk.

37. The SOULDAZE Collection was created in 2015 with the idea of combining stylish fashion with high quality sustainable Italian materials and manufacturing. They put together the latest trends with an ethically correct production process. 100% made in Rome, Italy. For information visit www.souldaze.com

38. SUSANNE VERALLO, are launching their first ever jewellery collection for SS17. Each exquisite piece of jewellery is inlaid with shell reclaimed from the fashion industry in the Philippines. Every design, though strikingly contemporary, is entirely handmade and celebrates the timeless art of traditional Philippine craftsmanship. Visit www.sverallo.com

39. CHEYMA finds inspiration in the modern active women with bold and bright personalities, who search for both comfortable and sophisticated clothes. The latest collection Rococo Reverte is inspired by the captivating femininity of women, with pieces intended to complement and enhance the natural beauty of the female form without compromising with comfort. Whimsicality, serendipity and ethereality guarantee original looks combining ease and elegance. Discover the collection at www.cheyma.com

40. LUPA is a premium leather goods company focused on minimalist design. They are known for their simple yet rebelliously bold handbags. Each bag is designed and crafted in Los Angeles. Shop online at www.lupabags.com or check them out on Instagram @lupa_bags #rebelliousminimalism Owner/Creative Director: Karinna Espiritu. Photographer: Lisa Dragani. Model/Stylist: Karina Bowie.

41. AKOSEE is a luxury resortwear label. Their unique pieces are designed to take you from beach to bar in comfort and style. Made with luxurious silk cotton fabrics. Visit www.akosee.com and @akoseethreads

42. The humble flip flop has made way for FLOPZ: beautifully colourful flip flops with a unique massaging sensation. The massaging gel promises to keep hot holiday feet happy from the beach to the spa (and to the bar). Featured are the 'Sparkle' flip flops (£30). Browse the vibrant range at www.flopz.com

43. With over 100 years of heritage, ASCOLI 1908 represents the true meaning of 'made in Italy'. The process from designing the bag, selecting the leather and adding the finishing touches displays that their attention to detail determines the unique outcome. View their beautiful collection at www.Ascoli1908.com

44. Created in 2007 in the heart of Paris, CHARLISE offers a complete cosmopolitan dressing for all modern and free women who want to express themselves through their look. Inspired by world travels the collection features pieces with vintage embroideries and prints from exotic locations. Charlise focuses on simple, well-cut pieces to value women every day as well as more eccentric pieces for more visual looks. Each season compiles a complete wardrobe: fashion pieces, workwear, and low key elegance. To view the collection, visit www.charlise.fr and follow @charlise_paris on Instagram.
