Location

Peamore Truck Centre is a strategic industrial, distribution and open storage site, with direct access to the A38.

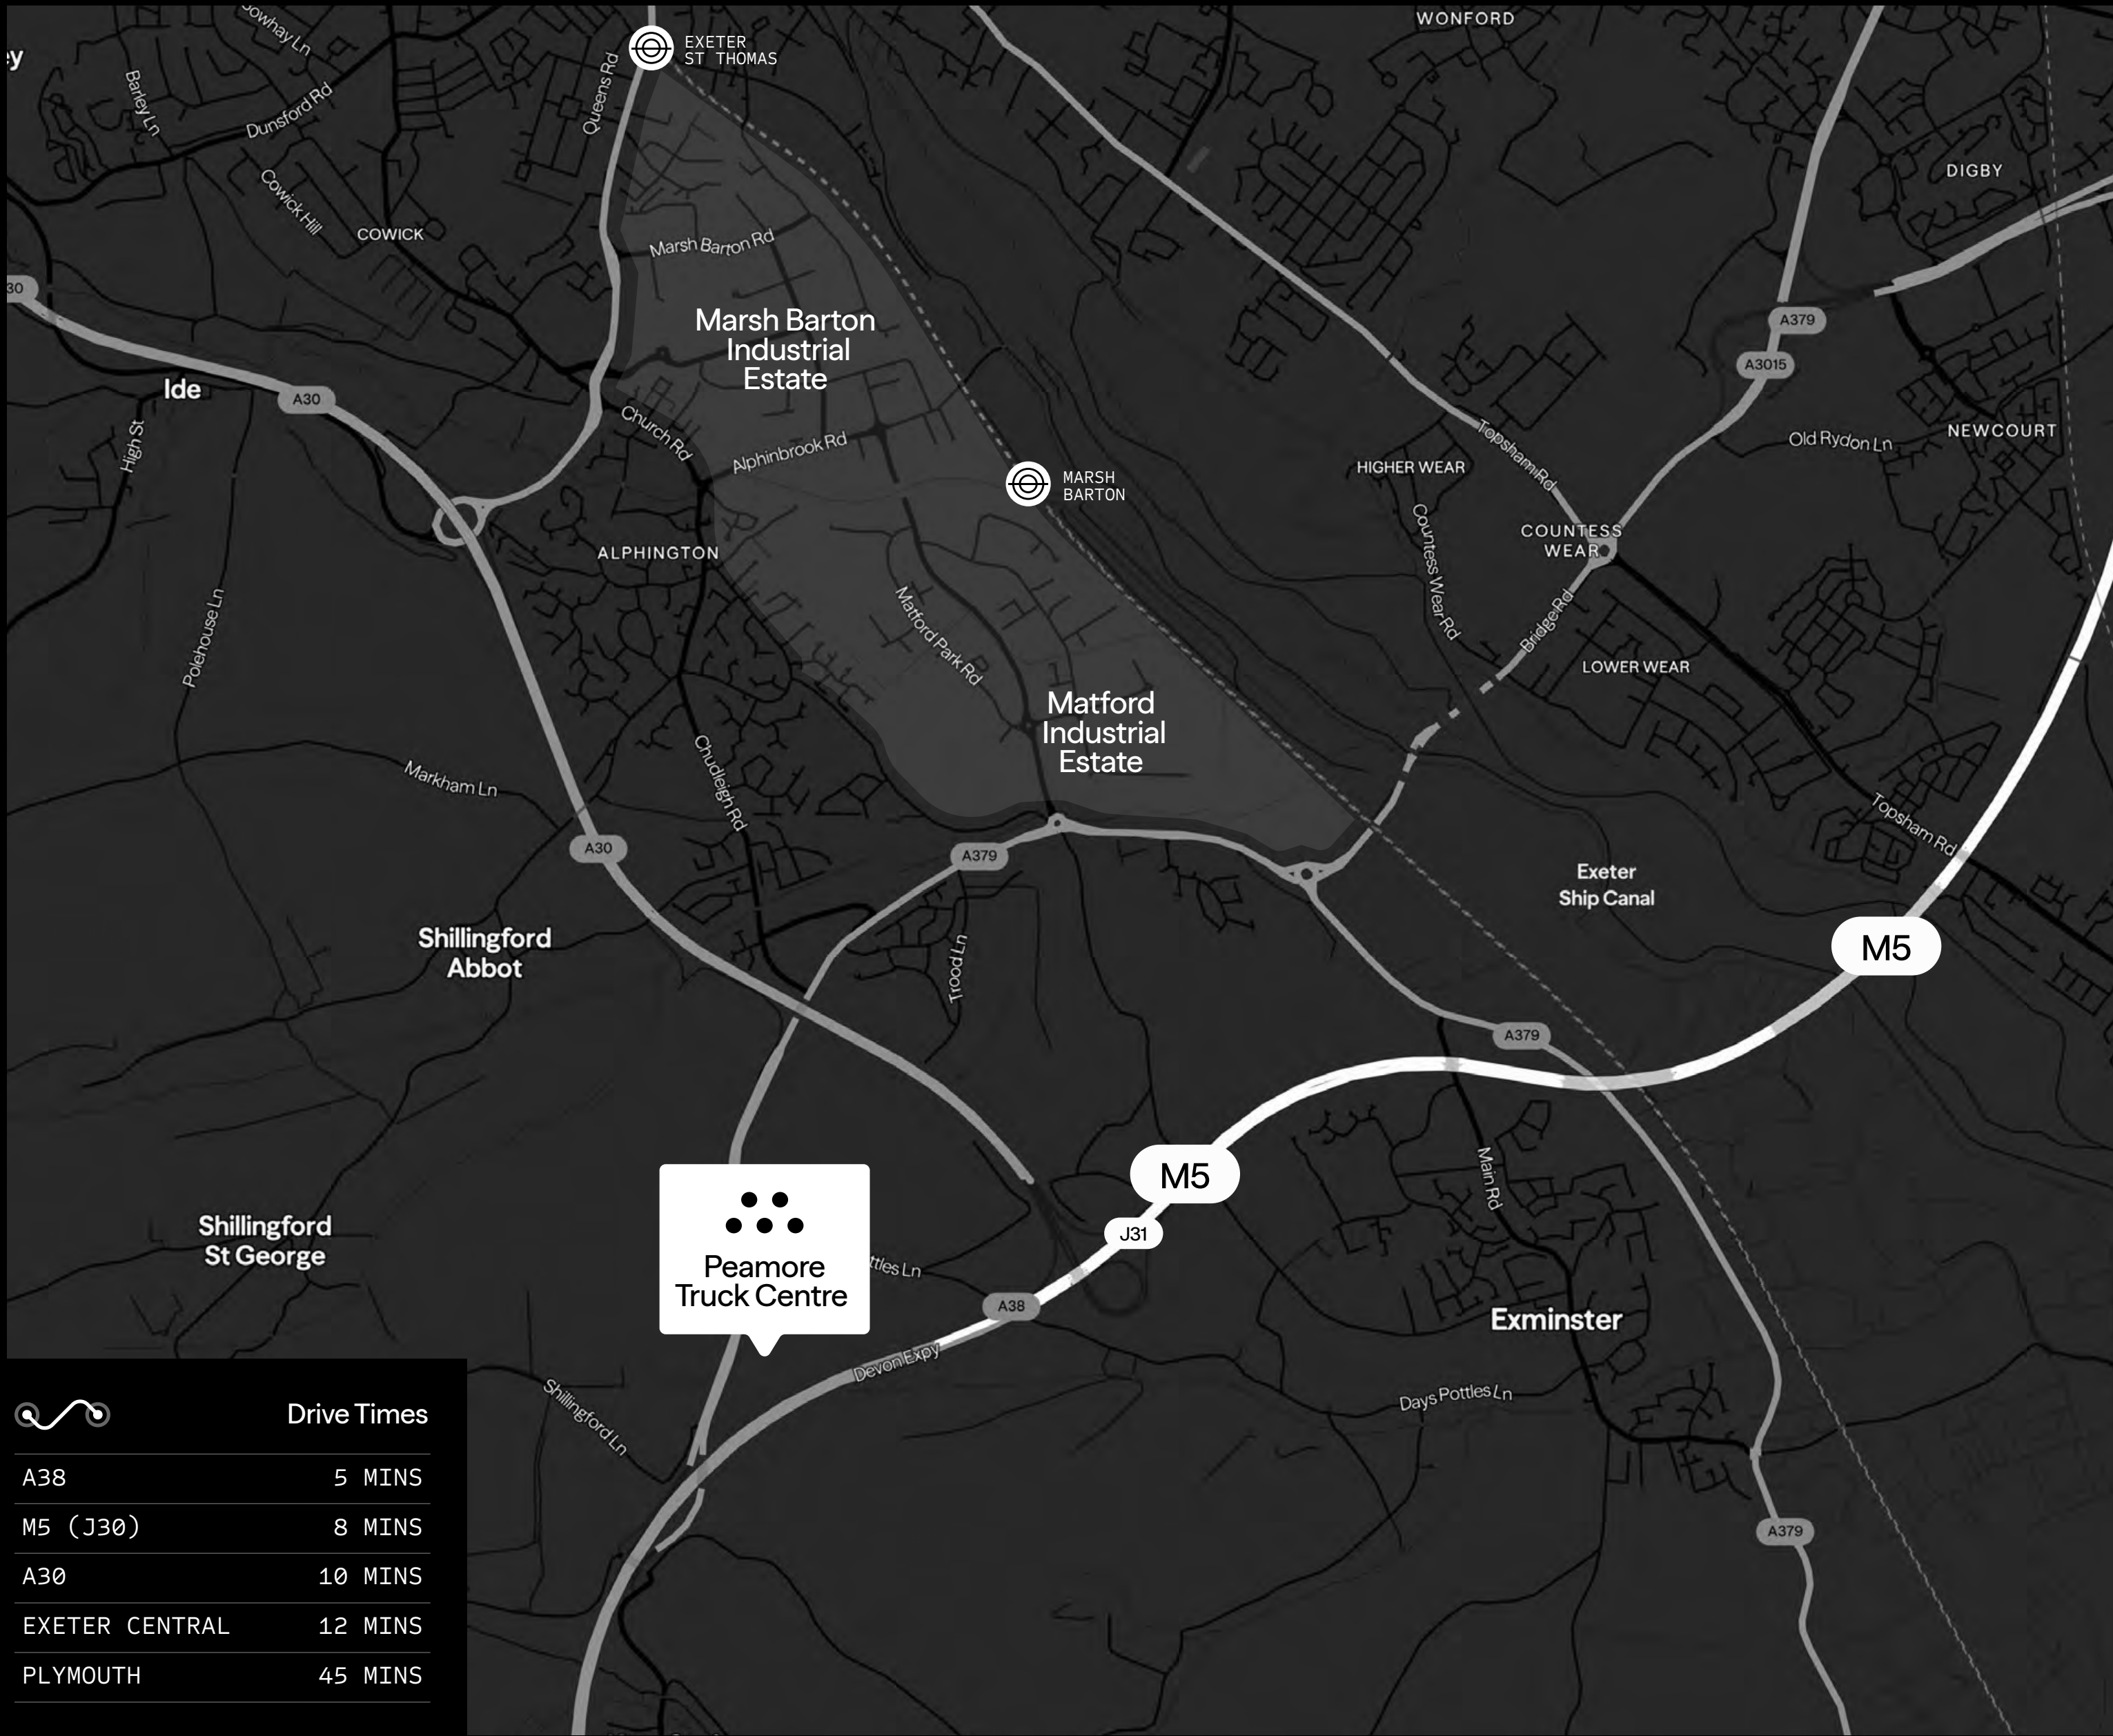

Peamore Truck Centre is ideally located just three miles south of Exeter city centre and enjoys excellent connectivity, with direct access to the A38 (Devon Expressway) / M5, less than 1km to the south

The site is also bound by the A379, offering direct routes to the city centre through Matford Business Park and Marsh Barton Industrial Estate.

Peamore Truck Centre is home to a thriving mix of storage, vehicle maintenance, and logistics businesses, making it a sought-after destination for operators looking to grow within a professional, well-connected environment.

Planning consent has been secured by the owner of the adjacent site for construction of a new roundabout and access road directly to the south of Peamore Truck Centre. This will further improve the site's connectivity and make access more convenient for occupiers and visitors alike.

Enabling infrastructure works have already commenced. Interested parties should make their own enquiries of Teignbridge District Council for further information.

Industrial Open Storage plots available that can be adapted to suit a wide range of occupier requirements.

The site is located within the established Peamore Truck Centre and offers an exceptional opportunity for logistics, transport and open storage operators seeking a strategic South West location.

The site offers adaptable accommodation of up to 3 acres with the ability to subdivide into smaller plots.

This is a rare opportunity to secure flexible open storage space with the benefit of landlord commitment to tenant-led improvements. The landlord is prepared to invest in site enhancements to suit occupier requirements and deliver a fit for purpose solution, subject to terms.
