DESCRIPTION

Spanning 2,923 sq ft across two floors, The Lodge is a beautifully proportioned home with generously sized rooms throughout. It is accessed via a gravel driveway that leads to a double garage with automatic doors. Above the garage is a versatile space, which, subject to planning approval, offers the potential for conversion into additional living or office space.

Upon entering the home, you're greeted by a spacious entrance hall that opens into a light-filled, dual-aspect living room. At its heart, a 'Clearview' log-burner and fireplace provide a cozy focal point. Double doors at the rear of the room lead into the kitchen/ breakfast room, which features timber units and a central breakfast island. From here, the garden room offers lovely views over the well-maintained grounds. The ground floor is further complemented by a study, a utility room, a WC, and rear access to the garage.

Upstairs, the first floor boasts three spacious bedrooms, each equipped with built-in storage. The master bedroom offers a walk-in dressing room and an impressive en-suite bathroom, complete with dual sinks, a walk-in shower, and a large bathtub. Its dual-aspect windows frame sweeping views of the surrounding countryside. The additional two bedrooms are bright, airy, and well-sized, while the family bathroom, located off the landing, serves the remaining bedrooms.

A MODERN DETACHED HOUSE, BUILT IN 2000, WITH BREATHTAKING VIEWS ACROSS OPEN COUNTRYSIDE.

The Lodge benefits from zoned underfloor heating throughout, enhanced by a heat recovery system, which allows for flexibility in furniture arrangement as there are no radiators to consider.

Outside, the gardens are impeccably maintained, with vibrant borders and mature trees providing structure and seasonal interest. Enclosed by Cotswold stone wall and a mature hedgerow at the rear, the outdoor space is as charming as it is private.

Direct access from the garden leads to a paddock that surrounds the land extending to around 3 acres approximately.
