WORKSPACE

Expansive industrial windows open onto green fields and garden courtyards, flooding studios with natural light and fresh air.

There are over 60 private studio spaces with more becoming available as we carefully restore the industrial buildings next door to the same design fit out.

If you're just starting out, freelancing, or looking for flexibility, we also offer dedicated desks or join the daily hubbub from one to five days a week co-working membership, in The Club Room.

Ultra fast broadband, members tea & coffee bars, access to phone booths and quiet meeting pods, and free on-site parking come as standard on any package. For full time studio members, Glove Dipper outdoor cold-water swimming and Holt Tennis Club membership, and Studio Members Private Gym membership are included.

We welcome well behaved dogs.

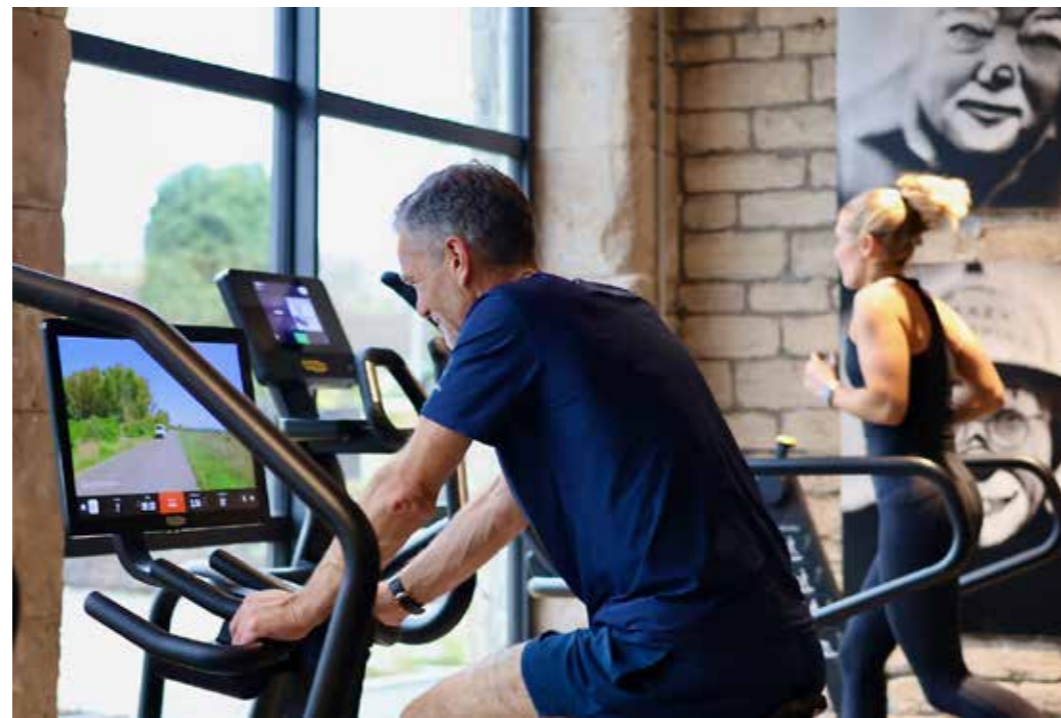

MEETING ROOMS

Choose from four meeting room spaces, available to hire by the hour, half or full day.

Our meeting rooms can accommodate between 6 and 24 and are ideal for business or cultural get-togethers.

Light and airy with access to garden courtyards and outdoor seating, they have WiFi, and delegate catering packages are available to order from Wild Herb at The Field Kitchen.

HEALTH & WELLNESS

Kick-start your creativity or soothe stress levels by making use of any of the health activities available at Glove Factory Studios. Glove Dipper cold-water outdoor swimming club and the Studio Members Private Gym memberships are included with any full time studio membership package.

Glove Factory Studios Gym offers a monthly subscription to everyone for access to TechnoGym treadmill, bikes, step and rowing machines, Watson Gym strength equipment, and Olympic lifting platforms.

Become a Health Club member and receive invitations to attend engaging talks, socials, and events.

A varied series of exercise classes are run throughout the week by a team of passionate personal trainers, and can be booked via our website without needing a studio or gym membership, or a Health Club subscription.

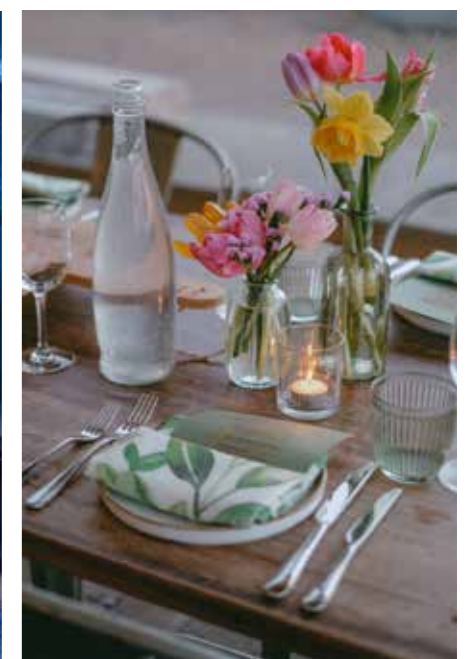

CAFÉ

Food has always been important to us. It provides a chance to pause, nourish body and soul, and connect with like-minded folk.

We believe the best work doesn't always happen at your desk. Inspiration often strikes during a chance chat in the courtyard, a conversation over lunch, or on a dog walk with a takeaway coffee in hand.

Wild Herb at The Field Kitchen is situated beside the fire pit overlooking lakes and fields, providing the perfect space to fuel creativity, catch up with clients, nourish the family or enjoy downtime with friends.

And it is the perfect stop-off for those exploring nearby National Trust properties, The Courts Gardens and Great Chalfield Manor.

VENUE HIRE

Our spaces can be hired individually or combined to take full advantage of our unique rural setting.

Whether you're looking to host a business or private event, one of our meeting rooms, The Club Room and courtyard, The Wool Shed, or popping up a marquee on the terrace overlooking the lakes and parkland, we have a friendly team of passionate staff who will be able to help you find the right setting and experience.

Wild Herb at The Field Kitchen offer delicious catering and excellent service for any occasion.
