The property also includes a significant leisure complex including a heated indoor swimming pool, games room and cocktail bar, together with a secure gated forecourt providing ample parking and access into an oversized double garage.

The property occupies a discreet south facing position with fine views over the neighbouring countryside. Huby itself is a popular and sought after village, some 6 miles to the south west of the spa town of Harrogate which offers an excellent and varied range of shopping and recreational facilities. There are most denominations of schools within Harrogate and both the Grammar School at Leeds and Gateways in Harewood are within easy reach. Furthermore, the Huby/Weeton Railway Station takes you in to the centre of Harrogate and Leeds, the latter providing Intercity services to London's Kings Cross. Leeds/Bradford International Airport is also within a 15 minute drive.

A central stone pillared portico leads into an impressive reception hall with marble tiled floor and a turned staircase leading up to a feature minstrel gallery. Double doors open through into a well proportioned drawing room with minster stone fireplace and recessed multi-fuel fire, formal dining room and lovely sitting room with cast iron fireplace and marble slips. A feature of Huby Manor is the light and spacious family breakfast kitchen with a comprehensive range of bespoke units, matching central island and a selection of high end integrated appliances. This is open through a wide archway into a beautiful orangery which almost runs the full length of the dwelling incorporating a breakfast, dining and sitting area and there are also double French doors opening out into the private rear garden.

A side hallway with guest cloakroom and internal access to the garage also provides internal access to the leisure complex which includes a large indoor heated swimming pool with automatic sliding cover, tiled surrounds and seating areas which open out into the garden, glazed and panelled screen with double doors leading through into a cocktail bar with marble tiled floor, bespoke fitted furniture and cocktail bar, games room with oak flooring, cloakroom/changing room with oak furniture and fully tiled wet room and WC.

At first floor level is a light spacious galleried landing leading initially to the principal bedroom which has double French doors opening out on to a private balcony overlooking the rear garden and countryside beyond together with a walk in wardrobe and luxury en suite bath/shower room with double vanity unit. There are then two additional double bedrooms overlooking the rear garden which share a Jack and Jill bathroom and a fourth double guest bedroom with en suite shower room. Accessed from the side entrance hall, by a private staircase, is a separate first floor wing which could provide self contained ancillary accommodation for a dependant relative, teenager or nanny, if required. It includes two additional bedrooms, one with an en suite shower room, a fitted kitchenette and cinema/TV room. A staircase leads up from the first floor landing into a significant second floor home office with an extensive range of bespoke oak fitted furniture including a computer desk, filing cabinets and book shelving and there are four shallow walk in dormer windows enjoying stunning views.

Outside, the property is approached through double wrought iron electric entrance gates and stone pillars into an extensive stone block paved courtyard providing parking for numerous vehicles and in turn giving access to an oversized double garage.
