Only by viewing will the exceptional features of this stunning development and apartment in particular become evident.

Apartment 1 occupies part of the front of the building, overlooking the leafy communal grounds. It is approached via an impressive and spacious communal hall with a private entrance door leading to the apartment's reception hall which has a utility cupboard with plumbing provided for a washing machine. Off the hall is the spacious open plan reception area, split into a sitting area, with doors leading to the full width south facing balcony, and an individually designed bespoke kitchen with integrated Miele appliances and a large fitted island incorporating bench seating. The principal bedroom lies to the front with doors to the balcony, a dressing area ideal for fitted wardrobes and a luxurious en suite shower room. To the rear is the second double bedroom which has an en suite bathroom.

The level of specification is exceptional and includes –

Mechanical ventilation with heat recovery · Hik-Connect facial recognition entry system · ANPR operated electric gates · A Rated environmental impact rating · A Rated 10 year structural warranty

Outside, the apartment benefits from two designated parking spaces, including an Andersen EV charger, within a secure enclosed courtyard. The courtyard includes a living wall and a sedum-roofed carport, with access provided via an electrically operated sliding gate from Clifford Road.

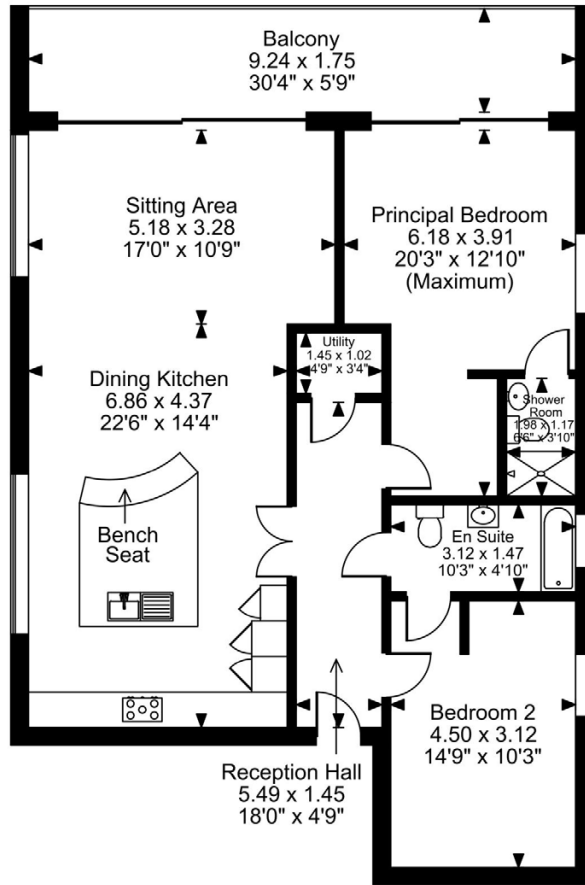

Robin Hill occupies a lovely position in one of Ilkley's most exclusive and sought after residential areas. It is within a short walk of the town centre which offers an excellent range of shops, cafes, restaurants, public houses and other social amenities. The apartment is within easy walking distance of attractive riverside walks, local cricket, football and rugby clubs and the swimming pool. For the commuter, Ilkley is well placed for access to the principal West Yorkshire business centres of Leeds and Bradford.

There are good road communications further afield and the town's railway station provides frequent services to the aforementioned business centres - train services from Leeds to London's Kings Cross take approximately 2½ hours. Leeds/Bradford International Airport is within a 20/30 minute drive.

Tenure: We are advised that the apartment will be held on a 999 year lease, with a share of the freehold. Maintenance of the communal parts of the development will be carried out by a resident led management company, for which a service charge will be levied and apportioned per apartment. The current service charge is £290 per calendar month.
