DESCRIPTION

Thuja is situated in a prominent position on the western edge of the popular market town of Marlborough. It is located within an Area of Outstanding Natural Beauty and enjoys commanding southerly views over the surrounding countryside.

This spacious town house is believed to date from 1906 with later additions and at 4025 square feet offers generous accommodation, tastefully presented throughout with high ceilings and large windows.

On entering this fabulous home, you are welcomed into a bright spacious hallway with doors leading off to the principal reception rooms. Both sitting rooms have working fireplaces and enjoy generous bay windows that flood the rooms with natural light. There is a great flow to this house and off the main sitting room is the dining area, which in turn links seamlessly into the kitchen.

A spacious open plan kitchen/ breakfast room, perfect for entertaining and modern day living opens onto the west facing terrace. The kitchen has been fitted with a range of high-quality units centred around the island with integrated appliances, double width Belfast sink, drinks fridge and pantry.

There are two more impressive reception rooms, with the family/playroom and a beautiful, expansive study with working fireplace. The ground floor is completed by the cloakroom and two utility rooms, one of which provides direct access to the double garage.

The first floor enjoys five well-proportioned bedrooms. The main bedroom benefits from a tremendous outlook and boasts an abundance of fitted wardrobes and an ensuite bathroom. There is the opportunity to turn the adjacent office into a dressing room, should that be of preference.

The two main guest bedrooms, both with ensuite bathrooms, enjoy generous proportions and are located at the rear of the property. There are two further double bedrooms (one with a dressing room), which are both served by a large and well-appointed family bathroom.

OUTSIDE

The property is accessed via a gravel driveway leading up to the side of the house, where there is ample driveway parking for numerous vehicles with the universal electric charging point. This is in addition to the large, double garage which is attached to the house and a further single garage which offers handy extra storage.

The mature garden surrounds the property and extend to approximately 0.5 acres in total. The house sits towards the rear of the plot meaning the bulk of the garden lies to the south, enjoying the sunnier aspect. The garden is mainly laid to lawn with a great array of mature shrubs and plants. There is also a large terrace to the western side of the house, accessed off the kitchen, offering the ideal spot for outdoor entertaining.
