SITUATION

Southwood is situated in a part of the village known as Little Hungerford and is an attractive area where there are a mix of individual family homes. There is an active community and good village facilities including a useful general store, shop/post office, church, pubs, garage, active village hall and primary school. The village lies in the folds of beautiful Downland countryside which provides good walking and riding, and it is within easy reach of a good variety of recreational facilities, including golf courses and country parks. It is well placed for travel on all major routes, with access to the A34 and M4 at J13.
