About Ben's Yard

Ben's Yard is home to a collection of independent retailers offering food, home interiors, fashion & beauty.

Whether you are looking for a relaxing day out, a new favourite café, a leisurely lunch, or a bespoke shopping experience, our unique destination combines the best of boutique shopping, wellness and food.

Enjoy our exciting calendar of events, celebrate the seasons with fresh locally sourced menus at one of our resident eateries, and immerse yourself in wildlife on our marked trails.

Something for everyone, always.

Playground

For the big and little alike, we have a children's playground modelled on the city's famous historical monument, the affectionately named Ship of the Fens: Ely Cathedral.

Whilst children clamber, dangle and slide on this truly unforgettable playground, we'll be encouraging parents to take a moment to grab a coffee, a slice of cake or even an ice-cream at the café.

For our littlest guests, we also have a miniature trail running alongside, for them to explore.

Events

A series of family friendly fun days will continue to be delivered throughout the year acting as a significant draw for visitors to Ben's Yard. These will include events such as Christmas Fair and Santa Show, Ely Folk Festival, Cambridge Rock Festival, Sundown Cinema, Makers Markets and Dog Shows held on the 6-acre events field.

Location

Ely is a picturesque and affluent Cathedral City. The city is a major tourism centre with typically over 800,000 tourists per year with a number of key attractions including Ely Cathedral, Oliver Cromwell's House and the Waterside Area around the River Great Ouse.

Ben's Yard is the perfect all-round destination for those living within a 45 minute drive time, with Cambridge only 30 minutes away and Newmarket, best known for its horse racing, a short 15 minute drive away.

Getting Here

The mainline railway station in Ely is approximately a 5-minute drive (1.5 miles) from Ben's Yard and provides regular services to Cambridge, London Kings Cross and Norwich.

Connections by road are via the A10 and A142, both of which connect to the A14 trunk road. Junction 14 of the M11 lies 17 miles to the southwest.

TESTIMONIAL FOR BEN'S YARD

Sofas for life

"Ben's Yard has been the perfect home for our first showroom in the eastern region. From the moment we arrived, it felt like a natural fit for Arlo & Jacob - a considered, beautifully designed destination that reflects the values at the heart of our brand: British craft, comfort, and thoughtful living. The customers who visit us here come with intention; they appreciate quality, timeless design, and the opportunity to choose pieces made especially for them.

Since opening in September 2023, the showroom has performed exceptionally well, with strong sales and consistently positive conversations with customers who travel from across Cambridgeshire, Suffolk, Norfolk, and the surrounding counties. It has quickly become a space where people feel at ease exploring fabrics, understanding craftsmanship, and imagining how our furniture will sit in their homes.

Because of the response from our customers, we took on a second adjoining unit in July 2025, initially as a pop-up space for our Outlet and Sample pieces. We have now taken this unit on a long-term basis, which felt like a natural next chapter - a chance to offer more of our beautiful products and deepen what we have started at Ben's Yard.

One of the most rewarding aspects of being here is the community. The wider occupiers are warm and supportive, and both Alastair and Victoria have been fantastic landlords - welcoming, flexible, and genuinely invested in helping us thrive. Their willingness to let us begin tailoring the additional unit ahead of the lease being finalised, along with their recommendations of trusted local trades, made the entire process seamless.

Ben's Yard is a special place - considered, calm, and beautifully curated. We would wholeheartedly recommend it to other premium, design-led brands looking for a destination where craftsmanship and customer experience truly matter."
