LOCATION

The subject property is prominently located at the top of Sheep Street, Bicester town centre's main retail thoroughfare. The town centre has a mix of both national and independent chains including Coffee#1, Vision Express, Holland Barrett, Boots Pharmacy and New Look. The building is situated opposite B&M Discount Stores and the access to Pioneer Square, anchored by Sainsburys with public parking for 526 cars.

Bicester is a rapidly expanding market town, with significant housing and commercial projects underway and planned, together with the expansion of the world-renowned Bicester Village outlet centre.

DESCRIPTION

The property comprises of a substantial town centre holding, previously forming two separate properties, now combined, with dedicated access to Victoria Street to the rear.

At ground floor the property comprises retail accommodation fronting Sheep Street, with staff room and storage to the rear. The property has been extended to provide additional first floor storage to the rear. We are advised that building 66 and 68 are separately serviced, enabling future subdivision.

The upper parts comprise of three separate well-presented flats, being two x 2 bed and one x 1 bed, each with separate lounge and bathroom. The flats are accessed via Sheep Street, with a central flat roof area and further access to the rear.

An approximate demise plan is shown below.

REVERSIONARY POTENTIAL

We are of the opinion that the subject property provides reversionary potential and, should it become vacant, the flexibility to split into two separate retail units.

Prevailing retail rents in Bicester vary between £35.00-£50.00 ITZA. Adopting a median level of £42.50 across the property's ITZA of 2073 sq ft indicates a potential rental of £88,100 pa.

These figures are provided for guidance purposes only and interested parties should undertake their own investigations in this regard.

GUIDE PRICE

We are instructed to quote a guide price of £1,200,000 (one million two hundred thousand pounds), subject to the existing tenancies.

This pricing shows a net initial yield of 7.42%, based on the updated lease terms being documented and a potential reversionary yield of 9.58% assuming normal purchaser costs.
