

Core sectors: Commercial

“Where you are is who you are. The further inside you the place moves, the more your identity is intertwined with it.”

Frances Mayes, Under the Tuscan Sun

Places of work are a crucial part of urban life. We spend a considerable part of our lives in places of work, so creating attractive, healthy and functional places of work is important. We work closely with the Carter Jonas Commercial Team across the country supporting our client ambitions for new places of education and learning, offices, light industrial and distribution uses. We understand that to be successful, commercial development needs to viable and masterplans respond to the needs of the client brief; being part of an experienced property advisor gives us a unique advantage of what works best on a given site.
