# Fruits Garden Glamping Villa Harasawa

果樹園グランピングヴィラHARASAWA

Japan's first-ever crossover apple orchard and glamping site. The fresh snowmelt from Mt. Tanigawa and range of daily temperatures has made Harasawa Orchard one of Japan's finest apple growers throughout 50 years in Minakami. 2022 marked the opening of Fruits Garden Glamping Villa Harasawa, a two-cabin glamping experience set against the magnificent Tanigawa mountain range. Apple-lovers from all over can come and enjoy a stay among 30,000m<sup>2</sup> of sprawling nature as well as the most delicious ripe fruit.
