All about Isesaki

Isesaki has long thrived thanks to the area's silkworm-raising industry, boasting a history of more than 1,200 years as a textile town. Textiles developed as the area's main industry, such that Isesaki meisen silks became known around the nation.

Recommended tourist spots in Isesaki

Isesaki Meiji-Kan

いせさき明治館 (Former clinic)

Built in 1912, this building features numerous examples of European-style architecture. Isesaki meisen silks are on exhibit at all times.

Koizumi-Inari Jinja Shrine

小泉稲荷神社

More than 200 torii gates made as offerings to the shrine decorate the grounds in front. At 22.17 meters, the large gate is the tallest in the prefecture.

Isesaki Auto Race

伊勢崎オートレース

Auto racing is a government-controlled competitive sport, like horse-racing, bicycle-racing, and boat racing. Reaching speeds of 150 kilometers per hour, the cars are truly exhilarating to watch.
