

Takaragawa Onsen is a stunning riverside hot spring In the northern reaches of the Tone River

Gunma's backcountry is rich in powder snow, for an unforgettable winter sports experience

## **Inbound Tourism to Japan Resumes! Gunma Prefecture is Waiting**

Gunma Prefecture is an outdoor paradise, just an hour from Tokyo. Travelers can enjoy world-famous onsen throughout the year, while participating in outstanding seasonal activities. Whether enjoying nature hikes in the height of summer or wild winter sports on Gunma's world-class slopes, there is no shortage of opportunities for travel agencies looking to offer novel, exciting travel packages.

English-language information is available at our website, and you can contact our Australia market supervisors at the e-mail addresses below. We look forward to sharing imagery, model routes and information on the best of Gunma with you!
