

Takaragawa Onsen Osenkaku

(宝川温泉 汪泉閣)

Takaragawa Onsen features four plentiful sources that continually pump out water to its four baths that include an open-air bath totaling about 850 square meters in size. Enjoy the large open-air bath while surrounded by the beauty of nature untouched by man, taking in the pure waters of Takaragawa. The hot spring merges with the new greenery that shines in the spring and the summer, is surrounded by autumn foliage in the fall, and gives a view of vast, snowy scenes in the winter.
