Welcome to Minakami

Situated in the northernmost part of the Kanto region, Minakami lies to the south of the foothills of the Tanigawa Mountain Range taken from Mount Tanigawa. Minakami is the largest town in the Kanto region, and has been designated as a UNESCO biosphere reserve. It is home to the headwaters of the Tone River, the most important source of water in the Kanto region, and is also known as the "Water Reservoir for Kanto".

Minakami is split into three areas.

Minakami/Fujiwara area

水上・藤原エリア

This area lies along the valley at the head of the Tone River, offering various activities year-round in the mountains, rivers, and lakes

Sarugakyo/Mikuni area

猿ヶ京・三国エリフ This area along the Mikuni Kaido road offers rural scenery and the historical atmosphere of the old road. Here you can enjoy pottery making in a laid-back atmosphere.

Tsukiyono/Kamimoku area

月夜野・上牧エリア Situated at the entrance to Minakami, this area lives and breathes with the daily lives of its residents. Just as its name implies (Tsukiyono means "moonlit field"), the culture of the area

is in harmony with nature, and filled with love for moonlit nights

Minakami's 18 Hot Springs 🖑

Minakami's claim to fame is its richly varied hot springs, of which there are 18 in total. There are various types to choose from, such as open-air baths along a valley with beautiful views year-round, hot spring inns at traditional Japanese houses over 100 years old, and hot springs facilities nestled deep in the mountains. The mountains and rivers of Okutone can be viewed from each and every hot spring.
