In Season 2, Episode 1, Tyler talks about five reasons charity: water is working in Ethiopia. Do you remember three of those reasons?

In Season 2, Episode 3, you meet the incredible drilling team in Ethiopia! Each person plays an important role in bringing clean water to communities in need. Have you ever worked on a special project with a team? Draw or write about your experience.

We saw so much celebration in this season of The Journey. Each day, we have the chance to practice gratitude and celebrate something new. Draw or write a few things you are celebrating today!
