

THE JOURNEY

BUILD A VIBRANT HOME

In **Episode 2**, we learned more about life in Cambodia. What did you notice about the houses you saw?

Many homes in Cambodia are made from colorful wood and built above ground. In this activity, you'll get to create your own vibrant house!

HERE'S WHAT YOU'LL NEED

- Legos, building blocks, or construction paper

BUILD YOUR HOME

Construct your own version of a colorful and elevated house. Make it your own, and ask friends and family to join you.

BONUS

See if you can build a small BioSand Filter to fit underneath your house!

SHARE

Take a picture of your activity and share it with us!
