SEASON 2

THE JOURNEY

DRILLING TEAM MATCHING GAME

There are so many incredible people from Tigray. Each person plays a different role in making sure clean water is available to the community.

SET UP

- Ask an adult to help you print out this page and cut along the dashed lines.
- Fold each of the cards in half on the dotted lines so that one side shows a Jerry Can and the other side shows a member of the Tigray community.
- Place the cards down with the Jerry Can side up, and shuffle them around to mix them up.
- Lay out the 12 cards in a grid with 4 cards across and 3 cards down.

PLAY

- With your family or friends, take turns turning over 2 cards at a time.
- If the cards match, collect them and “introduce” the person on the card to the group. Tell everyone their name and their role in the Tigray community.
- If they don’t match, return them to the board.
- Keep playing until all the cards have been matched and collected!
