The terms "you" and "your" refer to the person who purchased the Card and/or the person who is using the Card. The terms "we" "our" and "us" refer to American Express Travel Related Services Company, Inc. and its licensees, including but not limited to American Express Prepaid Card Management Corporation, the issuer of the Card.

Frequently Asked Questions About the Card

Is the Card a debit card or credit card?

No, the Card is a prepaid payment device with a dollar value that is either printed on the front of the Card or a "variable load" amount that is selected at the time of purchase. The Card is not a credit, charge or debit card. Except where required by law, the Card is not redeemable for cash. The Card is not transferable. The Card may not be used for unlawful purposes. The value on the Card at any time is its "Available Balance."

Where can the Card be used? Are there any usage restrictions?

THE CARD MAY ONLY BE USED AT THE FOLLOWING SELECT MERCHANTS AND RETAILERS AROUND THE WORLD THAT ACCEPT THE AMERICAN EXPRESS CARD ("SELECT MERCHANTS"):

Hilton Worldwide portfolio of brands, which include Waldorf Astoria™ Hotels & Resorts, Conrad Hotels and Resorts™, Canopy by Hilton™, Hilton Hotels and Resorts, Curio Collection by Hilton™, Doubletree by Hilton™, Tapestry Collection by Hilton™, Embassy Suites by Hilton™, Hilton Garden Inn™, Hampton by Hilton™, Tru by Hilton™, Homewood Suites by Hilton™, Home2 Suites by Hilton™, and Hilton Grand Vacations™.

RESTRICTION: Card may not be used to hold hotel reservations.

We reserve the right at any time to add other merchants to the list of Select Merchants or to remove merchants that cease business, change locations or stop accepting the American Express Card from the list of Select Merchants. Please note that while the Card is usable at the Select Merchants listed above, it may not be usable internationally at non-affiliated third party establishments that are located within or on the same property as Select Merchants (e.g. coffee shops, boutiques).

Is the Card ready to use immediately?

In most cases, as soon as you sign the back of the Card, it is ready for use. However, in some cases, it may be inactive for up to four hours after purchase.

How is the Card used to make retail purchases?

Present the Card to the cashier for payment and tell him/her it is a prepaid card. Sign the receipt with the same signature you used to sign the back of the Card. Retain the receipt as a record of the purchase.

Are there any fees for the use of the Card after issuance?

This Card has NO FEES AFTER ISSUANCE (including dormancy, service or other fees).

Do the funds on the Card expire?

No, the funds on the Card do not expire.

If the funds do not expire, what is the "valid thru" date on the front of the Card?

The "valid thru" date on the front of the Card is the date through which your physical plastic card must be used. This date is required to process transactions at merchants that request a plastic expiration date. Even if the "valid thru" date has passed on the Card, its Available Balance remains unchanged and intact. In order to keep making purchases with your Available Balance, after a Card's "valid thru" date has passed, please call the Customer Service Number (1-888-846-4308) for a free replacement Card.

Should the card number be written down?

Yes. You should write down the Card number, along with the Customer Service Number (1-888-846-4308) the 3 digit card security code on the back of the Card ("CSC"), and 4 digit card security code on the front of the Card (referred to also as the "Card Identification Number" or "CID") and keep these in a safe place. You will need the Card number, CSC, and CID to check your balance or replace the Card if it is lost or stolen.

Should the receipt from the issuance of the Card be kept?

We strongly suggest that you keep the receipt from the issuance of the Card, as we may require it for a refund, exchange or replacement.

How is the balance on the Card calculated?

There are two ways that your Available Balance may be decreased. First, if you make a purchase with the Card, we will deduct the full amount of that purchase, including taxes and any other fees, from the Available Balance. Second, if you use the Card and the Select Merchant authorizes for an amount greater than the actual purchase (e.g., when you use the Card at a merchant expecting a gratuity), the Available Balance will be temporarily decreased by the amount of the authorization until the actual transaction posts, typically until the eighth (8th) day after purchase. Only the final amount of the purchase will ultimately be deducted from the Available Balance. Once the Available Balance reaches zero (\$0), the Card is no longer valid and you agree that you will no longer use it. However, if a transaction occurs despite an insufficient Available Balance on the Card, you agree to reimburse us, upon request, for the amount of the negative balance created on the Card.

Can the Card be used if its Available Balance does not cover the total purchase price?

Depending on the Select Merchant's policy, you may be able to use the Card with another form of payment, such as cash, check or another card, to make a purchase. This is known as a "Split Tender Transaction." To make a purchase for more than the Available Balance on the Card:

1. Present the Card for payment and tell the cashier it is a prepaid card.
2. Tell the cashier the Available Balance and ask whether another form of payment will be accepted for the balance of the purchase.
3. Before the Card is "swiped," tell the cashier to only authorize the Card for the Available Balance.
4. If the Card is declined, remind the cashier of the Available Balance.
5. Be prepared to provide a second form of payment to cover the balance of your purchase.

Some Select Merchants may only allow you to use cash or check, but not another card, as the second form of payment. Some Select Merchants do not permit a second form of payment at all. We do not guarantee that a Select Merchant will permit a Split Tender Transaction. If you are having difficulty making a Split Tender Transaction or using the Available Balance on the card please call the Customer Service Number (1-888-846-4308) for assistance.

How should the Card be used at merchants that may be expecting a gratuity?

We and/or the Select Merchants (e.g. Restaurants, hair salons and other types of Select Merchants) may obtain an authorization on the Card for an amount up to 20% more than the total service bill to cover any anticipated gratuity that may be added. Be sure that the balance on the Card is sufficient to cover the cost of the bill plus any anticipated gratuity. If the Card is declined, ask the Select Merchant to obtain an authorization for an amount equal to or less than the Available Balance.

What if the Card is lost or stolen?

If the Card or Card number is lost or stolen, contact us immediately by dialing the Customer Service Number (1-888-846-4308). You must provide your name, address, Card number and other details for identification purposes. You agree to give us all reasonable information to help make a complete investigation of the loss or theft of the Card. If the Card or Card number is lost or stolen, we will issue you a replacement Card with a value equal to the Available Balance on the Card at the time you notified us of the loss or theft. NO REFUNDS WILL BE PROVIDED FOR AMOUNTS DEBITED FROM YOUR LOST OR STOLEN CARD BEFORE YOU NOTIFY US.

Can merchandise purchased with the Card be returned?

Merchandise purchased with the Card is subject to, the Select Merchant's return policies. If the Select Merchant agrees to issue a credit to the Card this amount may not be reflected in the Available Balance until the credit posts, which may take up to seven days.

Can a charge made with the Card be disputed?

No. Purchases made with the Card are similar to those made with cash, in that you cannot "stop payment" or lodge a "billing dispute" on purchases made with the Card. Any problems or disputes you have regarding a purchase should be addressed directly with the Select Merchant.

How are transactions made in foreign currencies processed?

If you make a purchase at an establishment in a foreign currency, it will be converted into U.S. dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, you authorize us to choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a transaction in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources on the conversion date or the prior business day. This conversion rate may differ from rates in effect on the day of your transactions. Charges converted by Merchants will be billed at the rates these Merchants use. We will not charge a conversion fee for transactions made in foreign currencies.

If we reimburse you for a refund claim you have made for a lost or stolen Card, or if we otherwise provide you with a credit or payment with respect to any problem arising out of any transaction made with the Card, you are automatically deemed to assign and transfer to us any rights and claims, excluding tort claims, that you have, had or may have against any third party for an amount equal to the amount we have paid to you or credited to the Card. You agree that you will not pursue any claim against, or reimbursement from, such third party for the amount that we paid or credited to the Card, and that you will cooperate with us if we decide to pursue the third party for the amount paid or credited. Neither our failure to exercise any of our rights under these Terms and Conditions, nor our delay in enforcing or exercising any of our rights, shall constitute a waiver of such rights. Telephone Monitoring/Recording: From time to time we may monitor and/or record telephone calls between you and us to assure the quality of our customer service or as required by applicable law.

Arbitration

Agreement to Arbitrate Disputes: This Arbitration Provision sets forth the circumstances and procedures under which Claims (defined below) that arise between you and us will be resolved through binding arbitration. This means that neither you nor we will have the right to litigate that Claim in court or have a jury trial on that Claim. Other rights that you would have in court also may not be available or may be limited in arbitration, including your right to appeal and your ability to participate in a class action. Nothing in this provision precludes you from filing and pursuing your individual Claim in a small claims court in your state or municipality, so long as that Claim is pending only in that court.

Definitions: As used in this Arbitration Provision, the term "Claim" shall mean and include any claim, dispute or controversy of every kind and nature, whether based in law or equity, between you and us arising from or relating to the Card or these Terms and Conditions, as well as any related or prior agreement that you may have had with us or the relationships resulting from any of the above agreements ("Agreements"), including the validity, enforceability or scope of this Arbitration Provision or the Agreements. "Claim" also includes claims by or against any third party using or providing any product, service or benefit in connection with the Card (including, but not limited to, third parties who accept the Card, third parties who use, provide or participate in programs accessed with the Card, enrollment services and rewards programs, debt collectors and all of their agents, employees, directors and representatives) if and only if, such third party is named as a co-party with you or us (or files a Claim with or against you or us) in connection with a Claim asserted by you or us against the other. As used in this Arbitration Provision, "you" and "us" also includes any corporate parent, or wholly or majority owned subsidiaries, affiliates, any licensees, predecessors, successors, assigns, any purchaser of any accounts, all agents, employees, directors and representatives of any of the foregoing, and any third party using or providing any product, service or benefit in connection with the Card.

Initiation of Arbitration Proceeding/Selection of Administrator: Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Provision and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed (the "Code"), except to the extent the Code conflicts with this Agreement. Claims shall be referred to either JAMS ("JAMS") or the American Arbitration Association ("AAA"), as selected by the party electing to use arbitration. If a selection by us of either of these organizations is unacceptable to you, you shall have the right within 30 days after you receive notice of our election to select the other organization listed to serve as arbitration administrator. For a copy of the procedures, to file a Claim or for other information about these organizations, contact (1) JAMS at 1920 Main Street, Suite 300, Irvine, CA 92614; www.jamsadr.com; (2) AAA at 335 Madison Avenue, New York, NY 10017, www.adr.org. In addition to the arbitration organizations listed above, Claims may be referred to any other arbitration organization that is mutually agreed upon in writing by you and us, or to an arbitration organization or arbitrator(s) appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. sections 1-16, provided that any such arbitration organization and arbitrator(s) will enforce the terms of the Restrictions on Arbitration provision set forth below.

Class Action Waiver and Other Restrictions: Arbitration shall proceed solely on an individual basis without the right for any Claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of others. The arbitrator's authority to resolve and make written awards is limited to Claims between you and us alone. Claims may not be joined or consolidated unless agreed to in writing by all parties. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. Notwithstanding any other provision in these Terms and Conditions (including the "Continuation" provision below), and without waiving either party's right of appeal, if any portion of this "Class Action Waiver and Other Restrictions" provision is deemed invalid or unenforceable, then the entire Arbitration Provision (other than this sentence) shall not apply.

Arbitration Procedures: This Arbitration Provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16, as it may be amended ("FAA"), and the applicable Code. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law. Federal or state rules of civil procedure or evidence shall not apply. Written requests to expand the scope of discovery rest within the arbitrator's sole discretion and shall be determined pursuant to the applicable Code. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the written arbitral award may be entered in any court having jurisdiction. Subject to the right of appeal under the FAA, the arbitrator's written decision will be final and binding unless you or we take an appeal from the award by making a dated, written request to the arbitration organization within 30 days from the date of entry of the written arbitral award. A three-arbitrator panel administered by the same arbitration organization shall consider anew any aspect of the award objected to by the appellant, conduct an arbitration pursuant to its Code and issue its decision within 120 days of the date of the appellant's written notice. The panel's majority vote decision shall be final and binding.

Location of Arbitration/Payment of Fees: The arbitration shall take place in the federal judicial district of your residence. Irrespective of who prevails in arbitration, you will only be responsible for paying your share, if any, of the arbitration fees required by the applicable Code, which amount shall not exceed the filing fees you would have incurred if the Claim had been brought in the appropriate state or federal court closest to your residence. We will pay the remainder of any arbitration fees. At your written request, we will consider in good faith making a temporary advance of all or part of your share of the arbitration fees. Waivers also may be available from the JAMS or AAA.

Continuation: This Arbitration Provision shall survive termination of the Card, as well as voluntary payment in full of any Shortages, any debt collection proceeding by or between you and us, and any bankruptcy by you or us. If any portion of this Arbitration Provision, except the "Class Action Waiver and Other Restrictions" provision above, is deemed invalid or unenforceable for any reason, it shall not invalidate the remaining portions of this Arbitration Provision, these Terms and Conditions or any predecessor agreement you may have had with us, each of which shall be enforceable regardless of such invalidity.
