

Sharpie Drinkware

In just a few simple steps, Sharpie permanent markers can help transform your nondescript drinking glasses into individual works of art.

What you need:

- Sharpie Oil – Based Fine Point Paint Markers
- Glass/cup

STEP 1 – Start with a set of Sharpie Oil – Based Paint markers made to write on both glass and plastic in bold, permanent marks. Choose your favourite bold, brilliant colours.

STEP 2 – Grab the wine or drinking glasses hiding out in your cupboard—or purchase a fresh set from any home store.

STEP 3 – Start decorating! Make sure that your marks stay one inch below the rim of your glass/cup.
