

Places in Pictures

Pretend you are on
a cloud in the sky.
You look down.
You take a photo.
Here it is!

Circle **YES** if you see the thing in the photo.
Circle **NO** if you do not.

1. house YES NO
2. street YES NO
3. tree YES NO
4. river YES NO
5. What else do you see? _____

You can show a place on a map.
A map is a drawing of a place from above.
This map shows the same place that the photo does.

6. Find a street on the photo.
Then find the same street on the map.
Write the name of the street. _____
7. The trees on the map are not coloured.
Colour them green.
8. Find a swimming pool in the photo.
Draw it in the same place on the map.
