

Patterns of Five

Look at the number chart below. Starting with 1, count 5 squares. Colour in the fifth square. Then count 5 more squares and colour in the fifth square. Keep going until you reach 100.

1 to 100 Chart

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Tally marks can be arranged in groups of five, like this:  Then you can count by fives.

Count how many girls and boys are in your class. Draw tally marks in groups of five.

Girls: _____ Boys: _____

Now count the total number. Write the totals here:

Girls: _____ Boys: _____
