

# ABC

The **main idea** of a story tells what the whole story is about.

When you were in kindergarten, or maybe before that, you learned your ABCs. Letters are the building blocks for words. Words are the building blocks for sentences. We use sentences to communicate our thoughts and feelings. Each letter of the alphabet has at least one sound. Some letters have more than one sound. There are 26 letters in our alphabet. Many of our letters came from alphabets made many years ago in foreign countries. In fact, the word *alphabet* comes from two words, *alpha* and *beta*, which are the first two letters in the Greek alphabet!
