

## DIY Sharpie Pillow

You don't have to be an artist or interior decorator to create these fun SHARPIE – DECORATED DIY PILLOWS that add bold pops of colour and style to your bedroom, living area, or anywhere else you like to hang and chill with friends.

What you need:

- Plain white or light – coloured throw pillows OR pillowcases
- 1 piece of cardboard, cut to fit
- Ruler
- Sharpie Permanent Markers

STEP 1 – Place your pillow on a smooth tabletop surface. For pillowcases, insert a piece of cut – to – fit cardboard in between to prevent ink bleed – through.

STEP 2 – Grab your Sharpie Markers and just do you – creating bold, imaginative patterns that match your personal style and the vibe of the room.
