

Sharpie Gift Tags

Make your gifts stand out this holiday season by creating one of a kind gift tags for your friends and family.

What you need:

- Plain wood tags (can be found at your local craft store)
- Wood stain
- Polyacrylic finisher (optional)
- Sharpie Paint Metallic Markers, Extra – Fine Tip

STEP 1 – Sand down your wood tags if they are rough around the edges and wipe with a wet paper towel.

STEP 2 – Stain your tags with a nice dark shade of wood stain.

STEP 3 (Optional) – To give the wood stain a more finished look, add a coat of Polyacrylic finisher after the stain has dried.

STEP 4 – Let stand for 2 – 3 hours until paint is dry to the touch.

STEP 5 – Once dried, begin writing your holiday phrases and personalized touches with your Sharpie paint metallic markers.
