

## Custom Sharpie Rug

Spice up plain area rugs with Sharpie to craft your own one-of-a-kind designs not sold in stores!

What you need:

- Rug
- Painters tape
- Sharpie Fine Permanent Markers, Assorted or Metallic
- Sharpie PRO Chisel Permanent Marker

### For geometric patterns:

STEP 1 – Outline your shapes with painter's tape.

STEP 2 – Draw lines down one side of the tape with your Sharpie markers. Continue until your design is complete.

STEP 3 – Once complete, remove the painter's tape and you're done!

### For non-geometric designs:

STEP 1 – Cut loose and start drawing!

Tip:

- Want to make it shine? Try our Sharpie Metallic fine markers!
