

Night Lights

Subtract. Connect the dots from greatest to least.

$10 - 3 = \square \bullet$
 $9 - 1 = \square \bullet$
 $8 - 2 = \square \bullet$
 $10 - 1 = \square \bullet$
 $9 - 4 = \square \bullet$
 $10 - 0 = \square \bullet$
 $7 - 3 = \square \bullet$
 $5 - 3 = \square \bullet$
 $6 - 5 = \square \bullet$
 $8 - 5 = \square \bullet$

Subtract. Connect the dots from least to greatest.

$10 - 0 = \square \bullet$
 $9 - 8 = \square \bullet$
 $7 - 5 = \square \bullet$
 $10 - 1 = \square \bullet$
 $10 - 7 = \square \bullet$
 $10 - 2 = \square \bullet$
 $7 - 0 = \square \bullet$
 $6 - 2 = \square \bullet$
 $9 - 3 = \square \bullet$
 $9 - 4 = \square \bullet$

The top picture gives off its own light. Colour this picture orange. The bottom picture reflects light from the sun. Colour this picture yellow.
