Use these printable tickets to pay-it-forward and share the love with friends, family, or anyone else that you know! Offer to share something special, to do a chore, or to help with a job. If you like, you can add a note or include an extra blank ticket encouraging the recipient to do something nice for someone too.

## KINDNESS COUPON

A little something nice for you! Stash it in a pocket, save it for a rainy day, or even use it right away!
