My Grandmother and I...

Ву.....

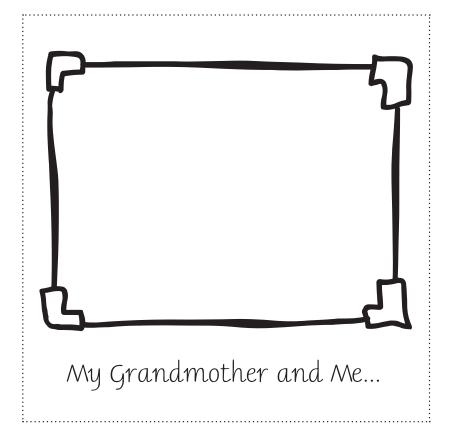

| What is my grandmother's name?  |
|---------------------------------|
| Where and when was she born?    |
| Where did her family live?      |
| How many siblings did she have? |
|                                 |

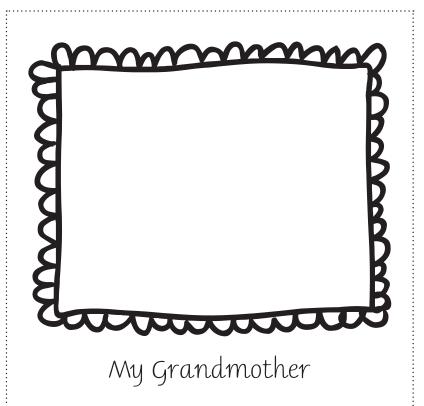

| Did she go to school?                   | What values of my grandmother's do<br>my family and I maintain to this day? |
|---|---|
| What did she like/dislike about school? |   |
|   |   |
|   |   |
| How is it different from my experience? |   |
|   |   |
|   |   |
| ii                                      | <u> </u>  |

| :                                   | <del></del>                            |
|-------------------------------------|--|
| How are my grandmother and I alike? | What fun things did/do we do together? |
|                                     |  |
|                                     |  |
|                                     |  |
| How are we different?               | What did my grandmother teach me?      |
|                                     |  |
|                                     |  |
|                                     |  |
|                                     |  |
