## **Hard-Boiled Egg “Mice” Snacks (makes 6 mice)**

### **Ingredients**

3 peeled, hardboiled eggs

a pinch of black sesame seeds

12 sliced almonds

6 chives

### **Directions**

Carefully slice each hardboiled egg in half. Set the eggs and other ingredients out on a tray or cutting board, and let your campers get to work giving each egg sesame seed “eyes” and a “nose”, almond “ears”, and whippy chive “tails”.

Enjoy these wee mice alone as a quick snack, or set them out with other food a mouse might enjoy—crisp veggies, pretzels, and, of course, slices of cheese—for a more sustaining mini-meal.
