Autumn Trail Mix

Ingredients

- 1 cup dried apple slices
- 1 cup dried cranberries
- ½ cup roasted, shelled pumpkin seeds
- ½ cup hazelnuts
- ½ cup dark chocolate chunks

Using clean hands and a large bowl, toss all of the ingredients together. Portion out into bags and store in a cool, dry place for your next outdoor adventure. This recipe makes about two, small sandwich-sized baggies of trail mix, but feel free to double or triple it if you're hiking with a crowd.

Enjoy!
