The **Junkyard Tales Audio Advent Calendar Day 11**. Though the other mice have full bellies and are sleeping comfortably in the shed, Starlight is awake and wondering what to do. Then she sees a bright star shining overhead and realizes it is a sign — the star formation! The snow has stopped and it's time for the mice to go home!

**We all love the mice — and there are so many of them!** What would you look like as a mouse? What would your family look like? Your friends?
