

## Draw Your Own Sparkle Courage Comic Strip

- 1. Have your child pick one of their favorite stories from our Courage topic and PRESS PLAY!
- 2. After the story is complete, prompt your child to think about a time that they too were courageous like the characters from the story. Have them draw out that time in a comic book strip using the template pages we have provided (or have them make their own).
- 3. When they have finished, pin the comic to the fridge or a wall in their bedroom as a reminder of just how courageous they are!

## A TIME I WAS COURAGEOUS WAS WHEN...
