

# PENCILS

In the *Martin & Sylvia: Saturdays!* story "**A Better Way**," Momma suggests there is a better way to organize their school supplies, like using a pencil can! You can take a regular sheet of paper and cut it in half (like this sheet along the dotted line). Then you can decorate the cover of the can however you like. Here is what Martin and Sylvia did for their pencil cans. Draw and then adhere to an empty tin can!
