Teeny the Toadlet Sandwich Stacker

Ingredients

1 extra large (wrap size) green tortilla
a few slices of lunchmeat (ham, turkey, roast beef, etc.)
a few slices of cheese
1 baby dill pickle
1 olive

Directions

Begin by using a biscuit cutter or similarly shaped round object to cut 4 small circles out of the tortilla. Layer a bit of lunchmeat and cheese on top of one of the circles, then top it with another circle. Keep layering until you've used all the circles, ending with a piece of tortilla on top. The circles will stay together better if you spread the meat and cheese right up to the edges rather than concentrating it all in the center.

Next, use scissors to cut a pair of froggy webbed feet out of the tortilla scraps. You'll also need to cut out two small tortilla circles (just a bit wider than the circumference of your pickle) to form the base of the eyes.

To make the eyes, slice the pickle into rounds and cut the olive in half. Then, make two little stacks—tortilla, pickle, olive—to complete them.

Enjoy!
