

Summer Scavenger Hunt

What is the weirdest plant that is growing? Draw it!

How many different animals and birds can you spy?

Who is wearing the brightest colors? Write their name. Describe their outfit. Draw it!

What is the strangest food? Describe it. What does it taste like? Draw a picture.

Find something that has the name of your state in it (something that shows or names the location).

Describe the weather.....

Ask everybody what the most interesting 4th of July celebration they experienced was.

What was it? Where was it? What happened?.....

.....

Ask an adult member of the party: "When you were a kid, what ice cream did you love best?"

.....

.....

.....

.....

.....

Ask another child member of the party: "What's your favorite"

.....

.....

.....

Get a plate of yummy food and offer it to someone that looks hungry. Or try to guess what they would like to eat based on your observations.....

.....

.....

.....

.....

.....

Do something silly: sing a loud song, do a big dance, run around like an animal. What do the BBQ attendants do?
