BEDS	BATHS	SQFT	LEVELS	WIDTH (FT)	DEPTH (FT)
3	2.5	1,463	2	22	37

Our take on the Mountain Modern home is perfect for city lots that have more depth than they do width. With board and batten siding, classic shed roof styling, and sweeping elevations that match the uphill geography of modern landscapes, the 1463 is a family-friendly solution for urban mountain living.
