Breeze Airways launches new flights to Portland, ME, and Greenville, SC

Erlanger, Ky. (July 3, 2026) – Breeze Airways today launched new, seasonal nonstop routes from CVG Airport to Portland, ME, and Greenville-Spartanburg, S.C.

The routes, offered on Mondays and Fridays, bring CVG's total number of nonstop flights to 61 including seasonal flights.

Ralph Burnham of Newport, Ky., was among the passengers flying to Portland on July 3.

"My family and I have been vacationing in southern Maine for years and we were thrilled to learn that Breeze has a direct flight to Portland. It's so convenient for a week or a weekend trip," he said.

CVG placed balloons at the Breeze gate, B12, to celebrate the new routes.

"As Breeze grows, we continue to connect the dots between our existing cities, and this new service from Cincinnati is a great example," said David Neeleman, founder and CEO of Breeze Airways. "Both Portland and Greenville-Spartanburg are great destinations for travelers, with no existing nonstop service from Cincinnati. We know the community will enjoy this new, affordable, and convenient service and look forward to welcoming them onboard."

"We are very grateful to Breeze Airways for its partnership and continued growth in our market since beginning service at CVG in 2023," said Chad Summe, Chair of the Kenton County Airport Board. Added Larry Krauter, CVG CEO, "With the new nonstop service to Greenville/Spartanburg and Portland, Breeze Airways will serve seven markets from CVG, bringing CVG's total nonstop destinations to 60 over the summer months."

ABOUT CVG AIRPORT

CVG welcomed 9 million travelers in 2025. The airport offers more than 60 nonstop destinations with 14 airlines/tour operators. It is proud to serve two nonstop transatlantic flights: London-LHR via British Airways, and Paris-CDG through Delta Air Lines. CVG is home to two global air hubs: Amazon Air's Hub and DHL Express' Global Superhub for the Americas. With an annual impact of \$12.2 billion on the local economy, the airport drives regional growth and remains a leader in aviation innovation. Learn more at CVGairport.com
