

# CVG Parking Advantage®

## PROGRAM RULES

CVG offers discount parking at the CVG Terminal Garage, CVG ValuPark, CVG Economy Lot, and CVG Valet through use of a point award and redemption program. Access to all parking areas is through the use of a frequent parker card system.

Participants register on-line for admission to the program by providing personal information to set up their own account. Upon receipt of participant's information, CVG Airport issues participants a CVG Parking Advantage access card, which is solely for their own use and is not transferable.

Points are awarded by using the Advantage access card for parking at the CVG Terminal Garage, CVG ValuPark, CVG Economy Lot, or CVG Valet. To convert points for free parking, participants must access their account on-line in advance and choose the dates of redemption before parking in CVG facilities.

Parking points are earned and redeemed on a 24-hour basis. The points that you earn for free parking will expire if there is no activity on the account within a one-year period. The account is automatically deleted if there is no activity within two years.

Lost cards can be replaced for a fee of \$15, which is charged to your credit card on file, or a deduction of 200 points from the account.

By applying for the CVG Advantage Parking Card, it licenses you to park and lock one vehicle in a designated space at your sole risk and at posted rates. CVG, or the Kenton County Airport Board, and its subcontractors do not guard or assume vehicle custody or control your vehicle or its contents and are not responsible for fire, theft, damage, or loss. The Kenton County Airport Board and its subcontractors issue this account as your contract and for time keeping purposes only.

Each participant is responsible for keeping their account updated with current information. Invalid credit cards on file may not be honored, in which case points will not be awarded.

Only a license to park is granted hereby and no bailment is created. Vehicles left over 30 days in the Garage or 60 days in ValuPark or Economy Lot without notification may be impounded at the owner's expense. Vehicles occupying more than one space will be charged the daily maximum for each space used. This is your entire contract and no employee may waive any of the terms. By your acceptance of it you agree to all foregoing terms.
