

SUPPORTER INFORMATION

THURSDAY 26TH SEPTEMBER 2024

KICK-OFF 18:45 (LOCAL TIME)

EVERYONE ANYONE

Supporters are strongly reminded the use of pyrotechnics within sports stadia is illegal. Not only could this lead to your arrest, but the club **will** be sanctioned by governing bodies.

Rangers is rightly proud of our multicultural men's first-team squad and diverse support. Our Everyone Anyone campaign sends a clear message of inclusion and togetherness and a zero-tolerance approach to all forms of discrimination on and off the pitch.

Rangers are a modern football club, with support recognised across Europe for the positive way in which they back their team. Songs and chants of a discriminatory nature have absolutely no place in 2024.

As the men's first team continue our European campaign, supporters are reminded, UEFA have many sanctions within their power to punish discriminatory chanting which would be extremely harmful to the club on and off the pitch. The manager and his team have expressed just how big an impact your fantastic support can have on performances – let's ensure this is in the correct manner.
