Dear Residents & Local Business Owners,  
We'd like to thank you for your continued patience, understanding and feedback for all our match days. On 11th June we will be hosting something a little different to Ibrox – Harry Styles live.

## Litter

There are plans in place for a litter collection to take place in surrounding areas on 12th June to catch any debris left behind by our customers whilst travelling to and from the stadium, if you are unduly affected by this, please let us know so we can address it.

## Noise

There will be working noise throughout the day from 5th June and use of the PA from 8th June. As part of the planning for this event, noise management plans have been created, and noise will be monitored in the local area.

## Toilets

There will be a high volume of additional toilets set up on the stadium footprint.

## Public Transport

All efforts are being made to ensure that majority of customers use public transport or arrive on foot for the event. There will be additional stewarding and signposting in the areas surrounding the stadium.
