

In order to make your visit safe, supportive, and flexible, we re-envisioned how we use our shared spaces with the community. Modifications to our previous ways are necessary in moving forward in this new era. We are committed to remaining flexible in our thinking, while continuing to be a College guided by hope and care.

BELOW ARE THE STEPS WE ARE TAKING TO BETTER PROTECT YOU AND OUR LEC COMMUNITY.

DEEPER AND MORE FREQUENT CLEANING

High touch areas are deep cleaned and disinfected twice daily by housekeeping staff. This includes, door knobs; light switches; copy machines; computer labs; restroom facilities. Disinfectant sprayers are used to address larger areas, such as residence hall rooms; locker rooms; classrooms.

SEPARATE WAITING AREAS FOR GUESTS/VISITORS

There are 3 separate rooms for visitors: the Admission lobby, the social parlor lobby, and the social parlor that all have separate entrances.

LIMITED STAFF IN ALL BUILDINGS, FACE MASKS REQUIRED FOR EMPLOYEES

Essential support staff will be available however, other departments of the College will have limited to no employee presence on campus. All employees on campus are required to wear face masks when away from their workstations or desks.

FACE MASKS WILL BE AVAILABLE TO ALL GUESTS/VISITORS

Visitors are encouraged to arrive with face masks for their visit. Face masks will be provided if you do not have one. If a visitor chooses not to wear a face mask on campus, we reserve the right to have the visitor wait somewhere else while we meet with individuals who follow the College's protocol.

TOURS WILL BE LIMITED TO ONE FAMILY PER TOUR GUIDE

To further ensure your safety and the safety of our staff, tours will be limited to one family per tour guide. Please contact our Admission team to schedule a visit time to better accommodate you and our staff at admission@lec.edu.

COMMUNAL COFFEE/BEVERAGE STATIONS HAVE BEEN REMOVED

All coffee and beverage stations have been removed to avoid contact and high touch areas risking safety to guests.
