## Introducing our NEW INSPIRATION ARENA!

Lake Erie College is pleased to welcome you to the new indoor Inspiration Arena, newly constructed and opened in August 2020. This well-lit naturally bright arena is 250 ft long by 90 feet wide, with nearly every inch of space used for the riding surface. Depending on the weather, a small competition ring may be set up inside for Intro through Training 2, but this arena will otherwise be open for warmup. We are sure you will enjoy your new riding experience in the Inspiration Arena!

**Force Majeure:** In the event of a force majeure, this competition may be subject to cancellation. "Force majeure" shall mean fire, earthquake, flood, snow, ice, lightning, act of God, or the presence of contagious or infectious disease among humans (for example but not limited to Covid-19) or animals (for example but not limited to EHV 1/4 or strangles), work stoppages or other labor disturbances, riots or civil commotions, litigation, war or other act of foreign nation, power of government, or governmental agency or authority, or any other cause like or unlike any cause above mentioned which is beyond the control of the show management. In the event of cancellation before the show begins due to force majeure, all fees paid by competitors will be refunded.

**Stabling and Tack:** Bedding not provided - bagged shavings available for purchase. Please pre-order any shavings needed. Permanent box stalls and vinyl temporary stalls with doors (all are minimum size 10 X 10), both under roof. Stallions, horses over 17 hands and entries showing for entire weekend will be given preference for permanent stalls. Due to the limited number of stalls available, we may be unable to honor requests for non-competing horses or tack stalls. Please direct all stabling questions to Wendy Burttt at [wburttt@lec.edu](mailto:wburttt@lec.edu) or call (773) 575-8586. Stalls will be available on Friday at 9 am. Numbers must be worn at all times a horse is out of its stall. **NO SMOKING** near barns. Smoking permitted in designated areas only.

**Refunds:** If an entry is canceled before the closing date, all fees are refunded minus the office fee. After the closing date, the \$23 USEF and \$15 qualifying fees and/or any nonmember fees, if paid, are refunded. No refunds for filled scratches. No refunds for stabling. Wait list exhibitors who are contacted for openings and accepted are fully responsible financially to the show. No other fees are refundable after the closing date for any reason, including in the event of cancellation of classes due to severe weather or other emergency. We do request that all cancellations be called in so that adjustments may be made to the schedule.

**No Shows:** All "no shows" who have not contacted the show office prior to their first ride will be considered a scratch/elimination for the rest of the weekend, are subject to the \$23 USEF fee, and their time slots will be filled.

**Confirmation/Ride Times:** Rides may be scheduled from early morning through evening each day. Confirmation of entry will be emailed. All email addresses must be clearly printed and legible. Provisional ride times and show updates will be posted at [www.lec.edu/equineevents](http://www.lec.edu/equineevents) Wednesday before the show. Official times will be posted at the show office by noon Friday. It is the responsibility of the rider to inform show secretary of any time conflicts as soon as possible after receiving provisional ride times.

# IMPORTANT USEF RULE AFFECTING ALL COMPETITORS

Competitors - please note that Lake Erie College horse show management reserves the right to require that all competitors show their proof of vaccinations at check-in for licensed competitions at the George M. Humphrey Equestrian Center. Should current local equine health circumstances require extra vigilance on the part of horse show management, you might be asked to show proof of the required USEF vaccinations at check in.

## **GR845 Equine Vaccination Rule**

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letter-head stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.  
BOD 1/17/15 Effective 12/1/15

## **Rationale for GR845**

Over the last 7-8 years there have been several high profile Equine Herpes (EHV) outbreaks that have involved the neuropathic strain of the virus (equine herpesvirus myeloencephalopathy-EHM). Influenza outbreaks don't get nearly the same attention as EHV /EHM but they do occur.

The American Association of Equine Practitioners (AAEP) publishes vaccination guidelines that are reviewed by infectious disease experts every few years. The current guidelines recommend vaccinating competition horses at 6-month intervals for both equine influenza (Flu) and rhinopneumonitis (EHV-1 and EHV-4). It is important to point out that no vaccine protects against the paralytic neurologic disease (EHM), but the intent of vaccination is to reduce the spreading of virus which will hopefully minimize outbreaks in which EHM is manifested.

In many parts of the world the vaccination of horses is covered by national law. The FEI has a requirement for all horses to be vaccinated for influenza within the previous six months. The new USEF vaccination rule is General Rule 845 and will go into effect 12/1/15. This rule is consistent with the AAEP recommendation.

This rule change does not anticipate an increase of work for competition management. Most competitions, when horses are being checked in, require a health certificate and a negative Coggins test. The flu vaccination information can be added to either document. The requirements of this rule have not been made to be onerous on any group. However, it is important to point out that the responsibility lies with the competitor to provide documentation if requested by Competition Management. It is not a requirement that every competition verifies such documentation. If vaccination documentation will be reviewed upon arrival at a competition. it is recommended that this be published in the prize list.

If Competition Management chooses to verify the required documentation, any competitor that fails to provide the appropriate documentation of vaccination pursuant to the new rule may be asked to remove the horse from the grounds. If further clarification is necessary, please contact the Equine Drugs and Medications office at 800-633-2472.

## **Equine Biosecurity Recommendations for your horse's health and safety**

**Lake Erie College is committed to the health and safety of our resident school horses and all of our visiting competition horses. To encourage everyone on the premises to use good practices and health safety measures to protect our horses, please observe the following suggestions:**

### **At the Show**

Wash and disinfect your hands frequently!

Do not handle or pet horses other than your own.

Do not let your horse touch other horses, particularly nose-to-nose.

Do not share water buckets, feed tubs, tack or other equipment between horses.

You may elect to take temperatures on your horses twice daily. Report all temperatures over 102.0°F directly to the Show Manager.

### **Going Home**

Clean and disinfect your tack, boots, equipment and grooming supplies.

When you get home, shower, blow your nose and put on clean clothes and shoes before going near other horses at home.

**We wish all of our competitors and visitors  
a healthy and safe show here at Lake Erie College!**

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2021**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

#### Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
