All DocuSign Agreement Cloud Products

Features

The Premier Support Plan includes these features:

Target initial response time	A 4-business-hour response time for new cases.
Global Emergency Support	A 1-hour response time for severity 1 technical issues; available for all products 24/7 (English only during non-business hours).
DocuSign support center	Find answers, engage with the Community, and submit and manage cases online for faster resolution.
Phone support (call back)	Log a case and customer support will promptly call you back to address technical questions, billing inquiries, and account management.
Technical support	Direct access to technical support teams for configuration-specific questions.
Integrations support	Support for DocuSign's pre-built connectors like Salesforce and Microsoft, and partner applications like Workday and SAP to ensure your agreement processes run smoothly.
Developer support	Support for DocuSign's standard APIs that customers leverage in custom integrations. Plus up to 5 hours of advanced developer guidance covering best practices on implementation, APIs, and workflow engagements.
