

AGRICULTURAL INNOVATION AUSTRALIA (AIA)

AIA is a trusted and independent not-for-profit organisation focused on the long-term needs of industry.

Our mandate enables Australian agriculture, fisheries, and forestry to solve complex challenges no sector should tackle alone.

PURPOSE

Leverage collective investment to create practical, whole-of-sector solutions that drive measurable, long-term impact for Australian agriculture, fisheries, and forestry.

VISION

A portfolio of high-impact, cross-sector initiatives that generate exceptional returns and support the long-term sustainability of our industries.

WHAT WE DO

Through collective investment and agile innovation, we deliver whole-of-sector solutions that create measurable, industry wide impact.

Identify & Interpret

Spot gaps and opportunities using member insight and industry intelligence.

Put industry first

Prioritise the long-term needs of Australian agriculture, fisheries, and forestry.

Read Momentum

Time opportunities to catalyse collective investment and move ideas into action.

Translate

Turn research and expertise into practical, scalable solutions.

Deliver

Execute initiatives that avoid fragmentation and drive cross-sectoral impact.
