AMENDMENTS TO THE RISK SECTION

The "**RISKS**" section on pages 30 to 78 of the Base Prospectus (which was amended by virtue of the Previous Supplements) is amended as follows:

the paragraph entitled "**Risk Factors Relating to BNPP**" on page 30 of the Base Prospectus is deleted and replaced with the following:

"Risk Factors relating to BNPP are set out in "Risk Factors" under Chapter 5 on pages 340 to 354 of the BNPP 2024 Universal Registration Document (in English) (as defined below), which are incorporated by reference in this document. See section entitled "*Documents Incorporated by Reference*" of this Base Prospectus.

The following risk factors are identified as the main risk factors specific to BNPP:

1. A substantial increase in new provisions or a shortfall in the level of previously recorded provisions exposed to credit risk and counterparty risk could adversely affect the BNP Paribas Group's results of operations and financial condition.
2. The BNP Paribas Group's risk management policies, procedures and methods may leave it exposed to unidentified or unanticipated risks, which could lead to material losses.
3. The BNP Paribas Group may incur significant losses on its trading and investment activities due to market fluctuations and volatility.
4. The BNP Paribas Group's access to and cost of funding could be adversely affected by a resurgence of financial crises, worsening economic conditions, rating downgrades, increases in sovereign credit spreads or other factors.
5. Adverse economic and financial conditions have in the past and may in the future significantly affect the BNP Paribas Group and the markets in which it operates.
6. Laws and regulations in force, as well as current and future legislative and regulatory developments, may significantly impact the BNP Paribas Group and the financial and economic environment in which it operates.
7. Should the BNP Paribas Group fail to implement its strategic objectives or to achieve its published financial objectives, or should its results not follow stated expected trends, the trading price of its securities could be adversely affected."

AMENDMENTS TO THE PRESENTATION OF FINANCIAL INFORMATION SECTION

The second paragraph under the heading "**PRESENTATION OF FINANCIAL INFORMATION**" on page 101 of the Base Prospectus is deleted and replaced with the following:

"The audited consolidated financial statements of BNPP for the years ended 31 December 2023 and 31 December 2024 have been prepared in accordance with International Financial Reporting Standards ("**IFRS**") as adopted by the European Union. IFRS differs in certain significant respects from generally accepted accounting principles in the United States ("**U.S. GAAP**"). The Group has made no attempt to quantify the impact of those differences. In making an investment decision, investors must rely upon their own examination of the Group, the terms of an offering and the financial information. Potential investors should consult their own professional advisors for an understanding of the differences between IFRS and U.S. GAAP, and how those differences might affect the information herein. The Group's fiscal year ends on 31 December and references in the BNPP 2023 Universal Registration Document (in English) and the BNPP 2024 Universal Registration Document (in English) and any amendment to the BNPP 2024 Universal Registration Document (in English) (in each case, as defined in "*Documents Incorporated by Reference*" below and incorporated by reference herein) to any specific fiscal year are to the 12-month period ended 31 December of such year."

AMENDMENTS TO THE DESCRIPTION OF BNPP B.V.

The paragraph under the heading "**3. Trend Information**" on page 1450 of the Base Prospectus under the "**Description of BNPP B.V.**" section on pages 1449 to 1452 of the Base Prospectus is amended as follows:

"Due to BNPP B.V.'s dependence upon BNPP, its trend information is the same as that for BNPP set out on pages ~~153 to 157 and 911771~~ of the BNPP ~~2024~~2023-Universal Registration Document (in English).".

AMENDMENTS TO THE DESCRIPTION OF BNPP

The paragraph under the heading "**Description of BNPP**" on page 1453 of the Base Prospectus is amended as follows:

" A description of BNPP can be found on pages 4 to ~~76~~ of the BNPP ~~2024~~~~2023~~ Universal Registration Document (in English) which is incorporated by reference herein."

AMENDMENTS TO THE RECENT DEVELOPMENTS SECTION

The "**RECENT DEVELOPMENTS**" section of the Base Prospectus (which was added on page 1566 of the Base Prospectus after the section "**OFFERING AND SALE**" and before the section "**GENERAL INFORMATION**" by virtue of the Fourth Supplement) is completed with the following press release dated 28 March 2025 issued by BNP Paribas in relation to the restatement of new 2024 quarterly series in the 2025 format:

"This restatement has no impact on the Group's published 2024 results and changes only the analytical breakdown of business lines, divisions and Corporate Centre segment. However, it impacts the risk-weighted assets of the various business lines, divisions and Group.

In order to present a consistent reference with the presentation of the financial statements and the results applied from 1 January 2025, the quarterly series for the 2024 financial year include the main effects described below:

- The change in the allocation of normalized equity from 11% to 12% of risk-weighted assets: as part of the coming into force of the finalisation of Basel 3 (Basel 4) on 1 January 2025¹, and in line with its CET1 target of 12%, the Group decided to change the normalized equity allocated to its business lines, excluding Insurance, to 12% of risk-weighted assets, from 11% previously, as of 1 January 2025;
- The impact of this transposition (Basel 4)¹ on the level of risk-weighted assets;
- Full consolidation in the prudential scope of entities under the exclusive control of the Arval business as if it had occurred on 1 January 2024 (instead of 1 July 2024);
- The geographical focus (sale and run-off of businesses in 10 countries) carried out by Personal Finance. It leads to the reclassification of income and business data from the non-strategic or non-core perimeter (equivalent to the activities put into run-off) in the Corporate Centre. Personal Finance's profit and loss account therefore corresponds to the remaining strategic or core perimeter ;
- A change in revenue allocation methodology between Wealth Management and Corporate Centre;
- The business indicators at BNL are restated to take into account a precise breakdown of deposits by category (current, savings and term) and off balance sheet savings (assets under Discretionary Portfolio Management now included).

The following non-audited appendices detail the 2024 quarterly results in line with these developments.

- Appendix 1: 2024 restated Group profit & loss, unchanged compared to 2024 Published Group profit & loss
- Appendix 2: Effects of the restatement on operating divisions
- Appendix 3: Effects of the restatement on Corporate Centre
- Appendix 4: Effects on deposits and off balance sheet savings of BNL
- Appendix 5: New quarterly restated series for all operating divisions and businesses
