Handelsbanken confirms that no material negative changes in Handelsbanken's outlooks or financial situation or market position have occurred since the publishing date of the annual report. The consolidated accounts have been prepared in accordance with international financial reporting standards (IFRSs) and interpretations of these standards as adopted by the EU.					
However, note that some of the key ratios stated above are not defined under IFRS, they are instead defined as described in the foot note to the relevant key ratio. Note that key ratios which are not calculated in accordance with IFRS not necessarily are comparable with similar ratios presented by other companies and may therefore have some limitations when used as an analyzing tool.
